Holland Bloorview Kids Rehabilitation Hospital's research institute is pleased to host the 2017 Pursuit Award Ceremony which will award three recent PhD graduates from around the world for their outstanding achievements in childhood disability research.

We invite you to attend this ceremony where the top nominees will present their work.

Please register by May 2, 2017 at BRlevents@hollandbloorview.ca

Keynote speaker Dr. Stacy Suskauer is the director of the Brain Injury Clinical Research Center and co-director of the Center for Brain Injury Recovery at Kennedy Krieger Institute, and associate professor of physical medicine & rehabilitation and pediatrics at the John Hopkins University School of Medicine. She oversees clinical services and provides direct care to children with acquired brain injury of all severities. Dr. Suskauer's research focus involves better understanding and improving outcomes after childhood brain injury.

The Pursuit Awards are generously funded by Holland Bloorview Foundation donors the Ward Family and the Bloorview Research Institute.
