“ This is the first building that I have ever come into with my son and he didn’t want to run away. Here there is no judgement, no fear, there’s just so much acceptance. I wanted to be more involved with that. I wanted to really understand what goes on here that makes it so special. ”

“Holland Bloorview helped me in a lot of ways. They introduced me to various rehabilitation therapies including physiotherapy, language and speech therapy, cognitive group, psychosocial therapy and occupational therapy. The therapy sessions and interventions enabled me to walk, talk, run and even jump.”

“I don't know what we would do without Parent Talks. It's given us a sense of safety, security and peace in what can be an incredibly difficult journey.”

– Jen, mother of Austin a client at HB

“ Without the Family Support Fund, these activities would be out of my reach. It’s given Isabelle opportunities she wouldn’t have had otherwise. ”

– Geoff Feldman, father of Isabelle

“ But then I look back at how far she’s come—from not being able to move her head to playing outside at summer camp. Holland Bloorview has brought us this far, and I know we can count on them for the times ahead. ”

– Narges, Lily’s mom
