

# 12th Annual Research Symposium

## Hosted by Holland Bloorview's research institute

The 2017 theme, **spotlight on Canadian pediatric health research**, will feature our impact in co-creating meaningful and healthy futures through discovery and action.

The annual research symposium features Holland Bloorview Kids Rehabilitation Hospital's scientific and academic leadership, and highlights current and upcoming research that poses the greatest impact in the lives of kids with disabilities and their families.

**Date:** Tuesday, November 21, 2017  
8:00a.m. - 6:00p.m.  
**Location:** Holland Bloorview Kids  
Rehabilitation Hospital  
150 Kilgour Road,  
Toronto, ON, M4G 1R8
