## INDEPENDENT AUDITORS' REPORT

To the Members of Holland Bloorview Kids  
Rehabilitation Hospital Foundation

We have audited the accompanying financial statements of Holland Bloorview Kids Rehabilitation Hospital Foundation, which comprise the statement of financial position as at March 31, 2017, the statements of revenue, expenses, distributions and changes in fund balances and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Page 2

*Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Holland Bloorview Kids Rehabilitation Hospital Foundation as at March 31, 2017, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*Other Matter*

The financial statements of Holland Bloorview Kids Rehabilitation Hospital Foundation as at and for the year ended March 31, 2016 were audited by another auditor who expressed an unqualified opinion on those statements on June 7, 2016.

Notes to Financial Statements

Year ended March 31, 2017

---

Holland Bloorview Kids Rehabilitation Hospital Foundation (the "Foundation") generates, manages and distributes funds and/or the income therefrom, for the primary benefit of Holland Bloorview Kids Rehabilitation Hospital ("Holland Bloorview"), Canada's largest children's rehabilitation hospital.

A world-class teaching hospital, Holland Bloorview trains future health care specialists in the field of childhood disability, with an on-site research institute to integrate cutting edge research and teaching with frontline care, working to improve the quality of life for children and young adults with disabilities and long-term needs.

The Foundation is incorporated without share capital under the laws of the Province of Ontario and is registered as a charity under Section 149(1) of the Income Tax Act (Canada). While registered, the Foundation is exempt from income taxes and may issue tax-deductible receipts to donors. Its registered charitable business number, issued by the Canada Revenue Agency, is 88932 6278 RR0001.

For additional information and contact details, please visit the Foundation's website at [www.hollandbloorviewfoundation.ca](http://www.hollandbloorviewfoundation.ca).

## 1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook.

### (a) Fund accounting:

The Foundation follows the restricted fund method of accounting for contributions. The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they were provided.

## 1. Significant accounting policies (continued):

For financial reporting purposes, the accounts have been classified into the following funds:

(i) Endowment Fund:

The Endowment Fund represents resources contributed for endowment, whereby either the donor or internal restrictions require the principal be maintained by the Foundation for a specified period of time, which is 10 years or more. As a requirement of individual agreements or the Foundation's board-approved endowment policy, an annual amount is added to the capital of the endowment over time equal to the price of inflation subject to Canada Revenue Agency disbursement and accumulation rules.

(ii) Restricted Fund:

The Restricted Fund represents restricted resources that are to be used as designated by the donor, as stipulated by the fundraising appeal or as determined by the Board of Directors.

(iii) General Fund:

The General Fund represents the Foundation's unrestricted revenue, which supports the programs, services, capital and research of Holland Bloorview and the Foundation's fundraising and administrative activities.

(b) Revenue and expense recognition:

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donor-restricted contributions for specific purposes are recognized as revenue of the Restricted Fund in the year in which the contributions are received unless the capital is to be maintained for a minimum of 10 years; in which case, the contributions are recognized as revenue of the Endowment Fund. Fundraising event revenues are recognized in the respective fund in the year the events take place.

Pledges made and collectible are recognized as revenue when the amount to be received can be reasonably estimated and collection is reasonably assured.

## 1. Significant accounting policies (continued):

Investment income represents interest, dividends and realized and unrealized gains and losses and is accrued as it is earned. Investment income and related expenses are recorded in the fund incurring the income and expense.

Expenses are recorded in the General Fund unless they are incurred to raise restricted or endowed revenue.

### (c) Equipment:

Equipment is carried at cost and amortized on a straight-line basis over three to five years.

The Foundation reviews equipment for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable and exceeds fair value. The impairment loss is measured as the extent to which the carrying value exceeds fair value.

### (d) Contributed services:

A number of volunteers contribute a significant amount of their time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

### (e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has elected to carry its financial investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

## 1. Significant accounting policies (continued):

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Investments in equity instruments that are quoted in an active market are recorded at fair value. The Foundation has elected to carry investments in corporate bonds, government bonds and treasury bills at fair value. Changes in fair value are recorded in the statement of revenue, expenses, distributions and changes in fund balances. Transaction costs related to such investments are expensed as incurred.

### (f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

## 2. Investments:

Investments, including investments denominated in a foreign currency, are recorded at fair value.

	2017		2016	
	Fair value	Cost	Fair value	Cost
Equities	\$ 42,053,414	\$ 36,352,942	\$ 39,097,721	\$ 36,738,031
Corporate bonds	14,939,553	14,711,629	16,584,592	16,574,076

Cash and treasury bills	11,678,951	11,678,531	10,530,481	10,515,215
	<u>\$ 99,801,213</u>	<u>\$ 94,184,694</u>	<u>\$ 96,911,597</u>	<u>\$ 94,169,673</u>

The government and corporate bonds bear interest from 1.25% to 7.90% (2016 - 1.39% to 7.90%) with maturity dates ranging from June 6, 2017 to December 2, 2046 (2016 - May 26, 2016 to December 1, 2045).

The Foundation holds investments which are subject to market risk, foreign currency risk and interest rate risk. These risks will also impact future cash flow streams, including dividends, gains and losses and interest income.

To manage these risks, the Foundation has policies and procedures that establish a target asset mix among investments. The Foundation's policies also require diversification of investments within categories and set limits on the exposure to individual investments.

The government and corporate bonds mature in the following fiscal years:

2018	\$ 1,258,958
2019	3,883,043
2020	2,727,320
2021	2,307,358
