

Holland Bloorview 'Participate in Research' webpage information (CMS Template)

- **Summary:** A summary of your research project i.e. what are you looking to explore?
- **Call to action:** A statement informing people why they should consider participating. For example "Do you experience XXX symptoms? Considering participating in our study."
- **Who can participate:** For example "Boys aged 5-10 with a diagnosis of XXX are eligible to participate"
- **Funding Agency:** Please list the funding agency.
- **What's Involved:** For example "Study participants will attend three research sessions over a two-month period in the Bloorview Research Institute, where we will measure physiological signals including heart rate and skin temperature."
 - In this section, if you are offering any compensation, then please include this wording "Participants will receive a small token of appreciation, [[e.g. \$10 gift card]] to thank them for their time."
- **Deadline:** When recruitment ends.
- **Interested in Participating?:** If you are interested in participating in this study or have additional questions, please contact (NAME) at (EMAIL/PHONE) with your interest, and they will get back to you shortly. Contacting us does not obligate you or your child to participate in the study.
 - The wording for the Interested in Participating section has been developed with parents, please use this wording and fill in contact info.
