Families have partnered with Holland Bloorview to:

- Develop the hospital's strategic plan
- Advise on the rollout of the electronic health record
- Improve how clients, families and health care teams develop treatment action plans
- Define how clients and families engage in our research
- Educate internationally on client and family centred care

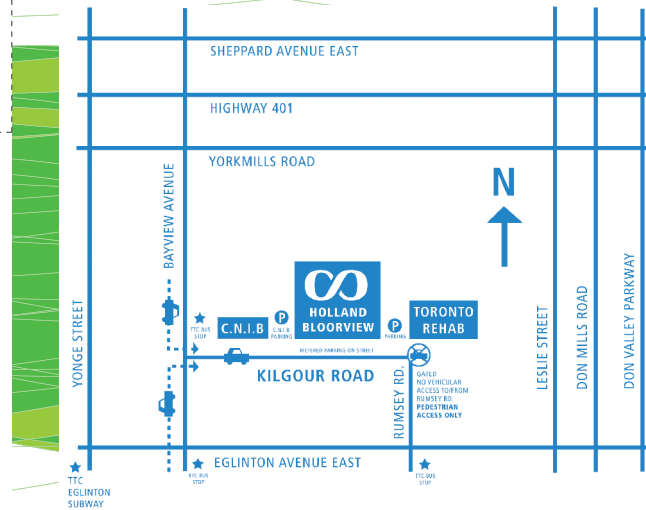

About Holland Bloorview Kids Rehabilitation Hospital

Holland Bloorview Kids Rehabilitation Hospital creates a world of possibility by supporting children and youth living with disability, medical complexity, illness and injury. Holland Bloorview is a top 40 Canadian research hospital that is fully affiliated with the University of Toronto and serves 7,500 families annually. Providing both inpatient and outpatient services, Holland Bloorview is renowned for its expertise in partnering with clients and families to provide exceptional care. Holland Bloorview is the only organization to ever achieve 100 per cent in two successive quality surveys by Accreditation Canada. Holland Bloorview

Kids Rehabilitation Hospital

You can make a big impact at Holland Bloorview by joining the Family Leadership Program.

There are so many ways to get involved. We will work with you to find a volunteer role that fits your interests and schedule. You can participate in both research and hospital projects in person and from home.

“ To be embraced in an organization that thrives on patient and family centred care is second to none. My opinion is valued and I’m heard and treated as a peer. ”
