6:30pm – 8:00pm

Holland Bloorview Kids Rehabilitation Hospital  
150 Kilgour Road, Toronto

Please RSVP to [projectsearchtoronto@gmail.com](mailto:projectsearchtoronto@gmail.com)

**Youth with disabilities gain skills needed for competitive employment through this unique transition-to-work program for the 2020-2021 school year**

At the session you can:

- Watch a Project SEARCH® video and overview presentation (starts at 6:30 p.m. sharp)
- Meet the Project SEARCH® Toronto team
- Ask questions
- Learn about application process and next steps

Project SEARCH® is an international success with 75% of graduates competitively employed within one year of completing the program.

In the Project SEARCH® program, students in their final year of high school do 3 co-op placements at a host business.

- Each student's team will include a qualified teacher, job coach, family, worksite supervisors and co-workers, and an employment support counsellor
- Students acquire competitive and transferable/marketable skills, increased independence and confidence

#### Eligibility criteria

- At least 18 years of age
- Eligible to enroll in high school (TDSB or TCDSB) for 2020/21 school year
- Diagnosed with an intellectual/developmental disability
