

Aquatics

If you can't attend in-person registration for swimmers who have a disability:

1. Anyone wishing to register for any of our swim programs must have an online account. Click on the ["Register Online"](#) icon to **"Create an Account"**. Enter an adult first and then click on "Create account and add family member" to add your child/ren. Please be sure to check off the two boxes "Periodic emails and mail updates" to receive future communication regarding program information.
2. Our Spring schedule (days, times, levels and cost) will be posted online by February 24. Choose "Search" and then click on the level(s) you're looking for to view the Spring class schedule(s) and cost(s). **Please check your class selection again after 3:00 p.m. on March 2 to be sure no changes have been made to what you wanted.**
3. Call the Pool Office at (416) 425-6220 ext. 3063 to register by phone. These requests will be processed beginning March 3, after our in-person registration. Priority for swimmers who have a disability is only available until March 4.

When you call, please leave the following information:

- a) your name and contact numbers (day and evening)
- b) your email address
- c) your child's name, age and swimming level
- d) the specific day(s) and time(s) you wish to register for
- e) the nature of your child's disability
- f) will 1:1 volunteer support be needed in the water?

We hope that you can attend the in-person registration, or send someone on your behalf. We may not be able to accommodate requests made after March 4. We will call you back to confirm either your registration or your placement on our Spring waiting list.

We hope to see you at the pool this session!
