

CHILDHOOD CEREBRAL PALSY INTEGRATED NEUROSCIENCE DISCOVERY NETWORK "CP-NET"

CLINICAL DATABASE PLATFORMS- PHASE 3

Do you have a child diagnosed with Cerebral Palsy? Do you live in Ontario? You may be eligible to participate in our CP-NET database research study!

What is CP-NET?

- ❖ CP-NET is network of researchers and clinicians across Ontario focused on transforming the lives of individuals with cerebral palsy (CP) and their families.
- ❖ The CP-NET clinical database is designed to collect information which will help researchers study the causes of CP, improve diagnosis and develop treatments and interventions.

Who can take part?

- ❖ Families of children with CP who are 2 years and older, born after January 1st, 2009 and who live anywhere in Ontario.

How do I participate?

- ❖ Participation may be done remotely by telephone and computer or during a study visit at one of our 5 research sites.

Who can I talk to?

- ❖ For more information, please contact Natasha Causton at ncauston@hollandbloorview.ca or by telephone (416-425-6220 ext. 3606)
