

# How is Holland Bloorview ensuring the safety of clients, families and staff during COVID-19?

1. We are actively screening all staff and visitors entering the building every day

Exit Only

2. We have dedicated entrances and exits to help maintain physical distancing

3. We have enhanced cleaning of high touch areas such as elevator buttons and door knobs

4. A masking policy is in effect to provide greater protection

5. Enhanced signage is posted throughout the hospital to help remind us of safety processes and support easy way finding

6. We are in regular contact with the Ontario Health and public health authorities to ensure we have the most up-to-date information to keep you safe
