Are you a youth or young adult who is currently working, volunteering or looking for work during the pandemic?

Consider participating in a study exploring the experiences of youth with and without disabilities as they are working, volunteering or looking for work during the pandemic.

What is this study about?

We want to understand your experiences working, volunteering or looking for work during the pandemic.

Who can participate?

We are looking for:

- Youth aged 15-30 (with or without a disability)
- Able to communicate in English
- Currently employed, volunteering or looking for work

What's involved?

Participants will be asked to take part in:

- 1 interview (approx. 1 hour) over the phone or Zoom

What are the risks and benefits of participating?

- A benefit of participating includes helping us to learn about employment / unemployment experiences to better meet the needs of youth.

Volunteer hours

- If requested, we can provide volunteer hours for participating.
- You will receive a gift card for participating in the study.

We can also offer volunteer hours for participants
