

Youth Advisory Council 2020-2021

Youth Engagement Strategy

The Youth Advisory Council (YAC) provides a sounding board for staff, students, clients and families to develop and evaluate Holland Bloorview programs and services.

YAC is a great way to:

- get volunteer experience while working with your peers at Holland Bloorview
- develop advocacy and leadership skills
- be involved in helping to create possibilities for younger generations of Holland Bloorview clients.

The Youth Advisory Council is for current and former Holland Bloorview clients who are:

- ages 14+
- independently mobile (including mobility devices or bringing a support person to assist in this capacity)
- motivated to contribute to and work on projects
- committed to attending the meetings.

You can join the YAC at any time during the year! The Youth Advisory Council meets once a month from September – June. Snacks and attendant care are provided at in-person meetings.

If you'd like to join the Youth Advisory Council, please contact:

Youth Leader

416-425-6220 ext 3782 OR youthleader@hollandbloorview.ca
