

Transitions, Recreation and Life Skills Services - Summer 2021

IMPORTANT: Our service is currently undergoing revisions to our intake process. We now have one point of entry for our clients and families (summer programs and year round services.) We are working to increase access to our services to meet client demand. Due to the Covid-19 pandemic and our shift to virtual programming in 2020, we may have limited capacity in summer 2021.

Transitions, Recreation and Life skills (TRLS) programs provide experiential learning opportunities in real world settings to children and youth ages 7-18 (21 if still in high school) with disabilities who are clients of Holland Bloorview. Our goal is to support the most meaningful and healthy futures for children and youth with disabilities.

If you are interested in receiving our services including group programs, please [submit a referral form](#). For more information on our services, please [visit our webpage](#).

PLEASE NOTE:

- * Priority will be given to clients that have already completed a new screen and are currently on waitlist for service.
- * Attendant care is available in our group programs; we do not provide 1:1 support for medical or behavioural needs. It is the participants' responsibility to arrange to schedule and pay for their own worker.
- * Transportation to and from programs is the responsibility of the participants or caregivers.
- * Fee will be applied to specific groups to cover associated costs
- * For funding information or applications, please contact our Family Resource Centre
