

Fall 2021 – Registration for swimmers who have a disability

Please note that we continue to monitor and follow COVID-19 recommendations from the provincial and local health authorities. As such, the following changes have been made to our Fall schedule:

- A reduction in class sizes
- Instructors will not be going in the water but will be teaching from on deck
- A parent or caregiver is required to accompany their child in the water if the swimmer is in a Swim Kids 3 level or lower (including preschool levels) in order to provide support for the learner.
- Siblings not registered in the program will not be allowed to enter the building.
- An online self-screening form must be completed prior to every visit to the pool. The completed form will have to be shown to the screeners as you enter the building.
- Whenever possible, arrive with your bathing suit on under your clothes to help restrict the number of people needing to use the change rooms.
