Holland Bloorview is now offering a brand new program for children and youth with disabilities (3 years old to 18 years old). This program is designed for participants that may not have swim skill based goals, but hope to improve mobility and comfort in water while having fun in a group setting. With the direction of a Holland Bloorview swim instructor, parents and/or guardians (18 years or older) of participants work with them in the water to achieve their personalized goals. The first 15 minutes offer participants ample transition time to get into and out of the water, meaning that an entire 30 minutes can be solely dedicated to instruction.

*In-Person Registration **Sunday, September 12, 2021***

*Please enter the lottery online before 5:00 p.m. on Tuesday, September 7, 2021 to receive a time to attend in-person registration.*
