

About our workshops and events listed in this brochure:

Family Workshops

The Family Resource Centre provides educational workshops for clients with a range of disabilities and their families. Anyone in the community is welcome to attend.

Parent Support Network

This is a unique series of events for parents and caregivers to engage in open discussion and provide mutual support. It is open to all caregivers of children and youth living with a disability. PSN is always co-facilitated with a Family Leader.

Family Navigation Hub's CommunityCONNECT Series

The CommunityCONNECT series aims to share information and resources with families related to social needs such as stable housing, food security, access to childcare and respite care and more.

Sibling Support Program

Holland Bloorview's Sibling Support Program is for siblings, ages 7-18, who have a sibling with a disability, complex medical needs and/or dual diagnosis. It gives attendees the opportunity to relax, unwind and meet peers with similar experiences.

Wellness Through Arts Caregiver Workshops

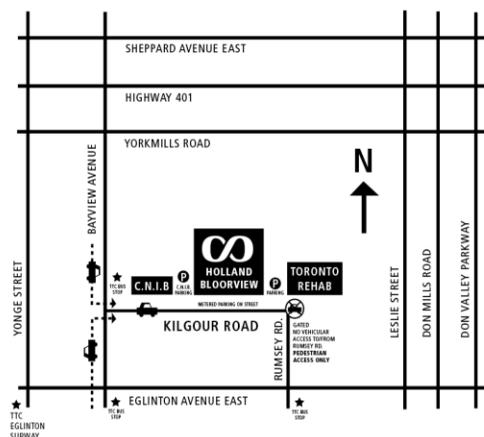

These small group workshops are co-facilitated by an artist and a Family Mentor. Attendees can connect with other caregivers while completing a hands-on art activity.

Holland Bloorview Kids Rehabilitation Hospital believes in creating a world where all youth and children belong. We are the only children's rehabilitation hospital in Canada focused on combining world-class care, transformational research, and academic leadership in the field of child and youth rehabilitation and disability. Holland Bloorview is a top 40 Canadian research hospital that is fully affiliated with the University of Toronto and serves over 8,000 families annually. Providing both inpatient and outpatient services, Holland Bloorview is renowned for its expertise in co-creating with clients and families to provide world-class care and is the only organization to ever achieve 100 per cent in three successive quality surveys by Accreditation Canada.

Holland Bloorview is a founding member of Kids Health Alliance, a network of partners working to create a high quality, consistent and coordinated approach to pediatric health care that is centred around children, youth and their families.
