

Our inclusive world starts in your classroom, gym & playground

Learn what you can do to improve accessibility & inclusion for students with disabilities

Our introduction for educators covers:

- Mindset for inclusion
- Student voices & educator examples
- Practical suggestions
- Resources for your next steps

1. Join one of our scheduled virtual monthly introductory sessions

Click [here](#) for dates, times and to register

and/or

2. Visit our [School Inclusion Hub](#) to:

- **Invite us to a session for your school** We personalize workshops based on your interests and needs (scheduled timing, duration, content emphasis, etc.). Joint sessions with Rick Hansen Foundation are also available.
- Check out Holland Bloorview's **open-access e-learning modules and facilitator's guide**
- Learn about **student workshops and resources**

Make accessibility & inclusion for students with disabilities part of your professional learning plan this year
