Thank You

At Holland Bloorview we believe in creating a world where all youth and children belong.

We are not only Canada's largest children's rehabilitation hospital; we are also a research institute and a leader in training the next generation of pediatric healthcare providers and researchers.

We help kids and youth with disabilities and complex medical needs access care that focuses on their physical, mental, and emotional well-being, and we power their infinite potential and possibility.

Through exceptional care, ground-breaking research, innovative services, and inclusive programs, Holland Bloorview creates a stigma-free world for all children.

Community Events

You can fundraise by having a bake sale, lemonade stand, garage sale or car wash. You can turn any event into a fundraiser and invite your coworkers, classmates, neighbours and friends to participate.

Tournaments

Pickleball, Spike ball, Golf, dodgeball, curling or board games. Any sport or game can become an excellent tournament event.

A-Thons

You can skate, wheel, run, jump or bowl. Turn any fun activity into a fundraising event by asking friends and family to donate.

Virtual Events

Host a virtual movie night, a trivia night or even a scavenger hunt!

Workplace

Consider encouraging your workplace to sign up for payroll deductions, dress down days or have staff events. Ask your employer if they will match donations made.

- Event hosts from across Ontario create fundraisers, raise awareness and help kids with disabilities realize a world of possibility.
- These events can take place any time throughout the year. Seasonal events, such as holiday parties, can be extremely successful. For best results, start your planning as early as possible and spread the word.
- Organizers choose the most appropriate venue to put on their special event. If the venue requires an official letter of endorsement, please contact your foundation representative.
- Perhaps you have had a meaningful experience at Holland Bloorview Kids Rehabilitation
 Hospital or know someone who did, or you simply want to make a difference for our kids and
 families.

We thank you for supporting the work being done at Holland Bloorview Kids Rehabilitation Hospital Foundation!
