Family Workshop

Education Law and Advocacy with ARCH Disability Law

Join us to learn about student rights for children with disabilities and advocacy in an educational setting

The intention of the event is to:

- Understand the **rights of students with disabilities** under Ontario's human rights law
- Discuss **navigating** Identification, Placement and Review Committees (**IPRCs**), Individual Education Plans (**IEPs**), and **educational support decisions**
- Learn how to **address accommodation concerns** and **access legal information and support**
- **Ask questions** and learn about **ARCH Disability Law Centre**
